(AKA *The Performer*)

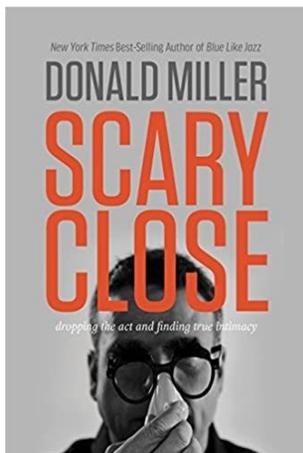

The Gift of Being Yourself

By David Benner

From Amazon.com:

"Grant, Lord, that I may know myself that I may know thee." — Augustine

Much is said in Christian circles about knowing God. But Christians throughout the ages have agreed that there cannot be deep knowledge of God without deep knowledge of the self. Discerning your true self is inextricably related to discerning God's purposes for you. Paradoxically, the more you become like Christ, the more you become authentically yourself. In this profound exploration of Christian identity, psychologist and spiritual director David G. Benner illuminates the spirituality of self-discovery. He exposes the false selves that you may hide behind and calls you to discover the true self that emerges from your uniqueness in Christ. Freeing you from illusions about yourself, Benner shows that self-understanding leads to the fulfillment of your God-given destiny and vocation.
