BOOKS FOR TYPE EIGHT: THE CHALLENGER

(AKA *The Protector* or *The Leader*)

Restless

By Jennie Allen

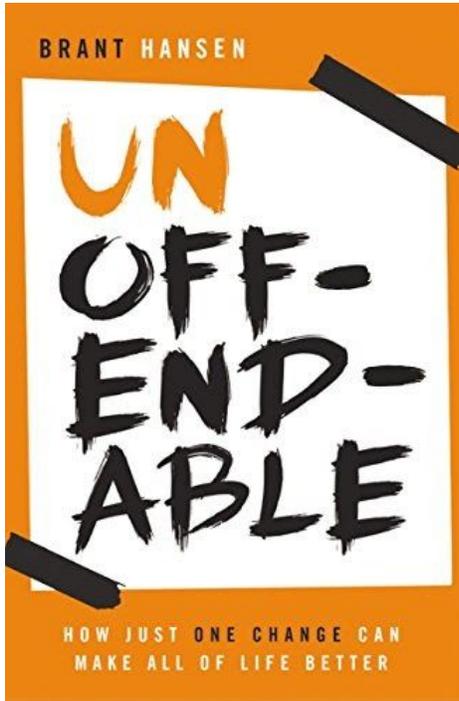

From Amazon.com:

Do you feel like you're missing something? What if this feeling wasn't a bad thing? It could be a longing for more of God and a catalyst to living the life that was designed before the foundations of the earth were laid.

In *Restless*, Bible teacher and fellow struggler Jennie Allen:

- Explores practical ways to identify the threads of your life
- How to intentionally weave those threads together
- Explains how your gifts, passions, places, and relationships aren't random; they're deliberate and meaningful
- Speaks the truth about your suffering: it's possible it has produced the very thing you want to give back to the world

Using the story of Joseph, the dreamer, Jennie explains how his suffering, gifts, relationships—all of the threads of his life—fit into the greater story of God and how our stories can do the same. What would happen if God got bigger than your fear and insecurity, and you spent the rest of your life running without reservation after his purposes for you? You were created for more.

Unoffendable by Brant Hansen

From Amazon.com

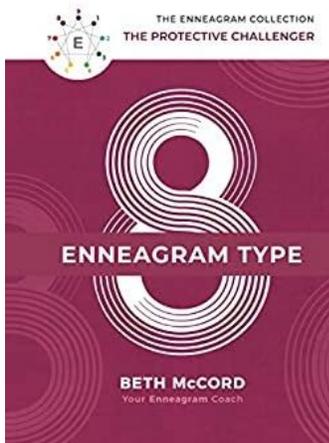

It turns out, giving up your “right” to be offended can be one of the most freeing, healthy, simplifying, relaxing, refreshing, stress-relieving, encouraging things you can do.

It’s a radical, provocative idea: We’re not entitled to get offended or stay angry. The idea of our own “righteous anger” is a myth. It is the number one problem in our societies today and, as Dallas Willard says, Christians have not been taught out of it.

In Unoffendable you’ll find things of immeasurable value:

- a concrete, practical way to live life with less stress
- adjusting your expectations to fit human nature and
- replacing perpetual anger with refreshing humility and gratitude.

Unoffendable seeks to lift religious burdens from our backs and allow us to experience the joy of gratitude, perhaps for the first time, every single day of their lives.
